Helen Keller rightly says that the world is moved along not only by the mighty shoves of it's heroes but also by the tiny pushes of each honest worker. Sishya has carved a niche in the educational field and has chiselled its students from bare rocks into beautiful sculptures with tiny pushes like morals, values and discipline.

Celebrations and joy double up as we celebrate the PEARL JUBILEE of our alma mater.

Our school recognises, appreciates, applauds and fosters the fine blend of Scholastics and Co-scholastics. It's a fine thing to have an ability; but the ability to discover ability in others is the true test.

Our correspondent and Principal Dr. Vasanthi Thiagarajan does this with ease. No wonder under her able guidance, our school has grown manifold and today, we stand as proud Sishyans celebrating thirty years of Sishya!

We are truly indebted to our Guru, our Alma Mater. We feel we are wholly educated as along with knowledge, we gain many experiences, that would take us far in life.

It was a kind of Eureka moment for all the Sishyans when the school came up with different events like Wall Mural, Mask Making, Embossed Panel decoration and Floral Decoration for Sishyotsav phase I. Sishyans hailed the idea of celebrating Sishyotsav Phase I in a non-competitive manner. It is sure that Sishyotsav Phase II will definitely raise many eyebrows with the great cultural extravaganza.

At this momentous moment, cherishing the lessons learnt here, we promise to do our little bit, bringing glory to our school and our dear teachers. We take this right opportunity, to thank all our Great Gurus. We are what we are today because of you.

Cheers to our Alma Mater! Wherever we are, we would like to be a part of the GOLDEN JUBILEE celebrations of our dear Sishya. Early waiting.....
