

SISHYA SCHOOL, HOSUR

ANNUAL SPORTS REPORT 2019-20

Sports do not build character. They reveal it, said Johnwood. I feel honoured to present the Annual Sports report for the year 2019-20.

Sishya plays a significant role in shaping the sporting skill of the Sishyans by providing a range of training to the athletes in identifying and developing the young talent. Through its trainings, Sishya supports and nurtures talent and provides requisite infrastructure, equipment, coaching facilities and competition exposure.

Subsequently, in order to facilitate development in Sishya, a unique initiative called One Child One Game is being implemented by the School Management. I would like to thank the School Management in making Sishya stand out as an apex body for promotion of sports by constructing various grounds like Volley Ball court, Hand Ball court, Basket Ball court, Foot Ball Court and Cricket court. External coaches are appointed to train the students in various fields like Archery, Air rifle Shooting, Taekwondo, Table Tennis, Foot Ball, Skating, Athletics, Hand Ball and Volley Ball.

To keep the body in good health is a duty. Otherwise we shall not be able to keep our mind strong and clear, said Gautama Buddha. To make the Sishyans strong and clear, the School encourages fitness walk, every morning. The whole school participated in the Fitness week organized by the CBSE with great enthusiasm.

The school celebrated Fit India Week in the month of December where various activities were conducted. It is with great pride I share that our school is one of the schools that has received five star rating in the Fit India programme.

Talent might get you on to the field; but it is the effort and attitude that will keep you there. With the right attitude and the best of efforts of the gurus, our Sishyans have achieved great heights.
