

A JOURNEY OF RAMBLINGS.....

FROM THE PRINCIPAL'S DESK

We take immense pride in presenting the first phase of the Voyager's journey for this year.

This year has been abuzz with myriads of activities and special programmes in the School Assembly.

Capturing these precious moments and collating them has not been the easiest of tasks. Besides write-ups that had to be brief yet informative the frozen moments needed to be fitted in.

I congratulate the entire team in Sishya that has been behind this presentation.

We are working with a theme-LOVE ALB -SERVE ALB. Though simple- this theme encompasses a whole lot of values and attitudes that we are exploring through Bulletin Board presentations and competitions under SISHYOTSAV. We are sure our young Sishyans will internalize these precious explorations and expositions and make them life-long learning.

HAPPY EXPLORATION WITH THE VOYAGER!!

A JOURNEY WITH SISHYA...

There may be festivals celebrated throughout the year, but for us Sishyans, the Sishyotsav is the most cherished and merrily celebrated of them all. The festive season at Sishya never seems to end from the colourful Rangolis to the power packed music and dance programmes. The school provides a platform for the students to turn their potential to performance. Each year our school comes up with powerful themes that not only form a base for all the cultural programmes, but also help us inculcate vital life values. The theme for this year (2015-16) is 'Love all Serve all'. Hats off to all the captains & office bearers for having brought their teams together to put up great shows throughout the year and we wish them good luck for all their future endeavours
